

How to Request Accommodations

Log into STARS and navigate to the Accommodation Requests section on your Dashboard.

The dashboard is titled "Accommodation Requests FALL 2024". It features a large "0" representing the "Number of Requests". To the right is a square button with a plus sign and the text "Add Requests for 6 Classes". Below this is a yellow box with the message "No Accommodation Request Found for Fall 2024".

Select the plus sign or Add Requests to begin to select your accommodations. Select the checkbox beside each course, for which you would like to request accommodations. Then select Continue to Next Step.

The form is titled "ACCOMMODATION REQUESTS". It includes a dropdown menu for "How to Request Accommodations". The current step is "STEP: SELECT COURSES". A list of courses is provided, each with an unchecked checkbox:

- ART 100.002 - ARTS ORIENTATION (CRN: 3133273)
- ART 131.006 - FOUNDATION DRAWING I (CRN: 3137498)
- ART 144.004 - FOUNDATION 2D DESIGN (CRN: 3133294)

- DEVP 50.501 - BASIC MATHEMATICS I (CRN: 3133357)
- ENGL 111.242 - ENGLISH COMPOSITION I (CRN: 3135205)

Below the list is a checkbox for "Apply the same accommodations to all selected courses." At the bottom is a black button labeled "CONTINUE TO NEXT STEP >".

If any courses are non-lecture, confirm that you do wish to proceed with requesting accommodations and select Continue to Next Step.

Select accommodations is only for accommodations that require pre-semester coordination. Please note that only accommodations for which you are eligible and need coordination, will show under Select Accommodations. For each course, select any clickable accommodations and then submit your accommodation request by selecting Submit Request under Final Step.
