## Student Engagement and Success Annual Report September 1, 2023 – August 31, 2024

### Goals:

Goal/Metric	Accomplished	In Progress	Not Accomplished
Create weekly announcements for the Digest giving information on ways faculty and staff can support and engage students as well as resources available and where they can be found.	X		
Encourage and support faculty in their consistent use of Brightspace across all courses by partnering with APC, with the minimum expectation of posting syllabi and utilizing the gradebook.		X	
Work with ZipAssist, Counseling and Testing, Adult Focus, UCM and others to consolidate and update the campus resources webpage and information contained on it.	X		

What were your top two successes?

1. The group seemed happy to meet. The meeting turnout was always successful.
2. Accomplishment of monthly Digest postings led to active discussions across campus.

What were your top two challenges?

1. The committee had a few members leave the university and one inactive member. Despite the dwindling membership, the group accomplished what it set out to do.
2. The group often met on Teams rather than face-to-face. It was difficult to find times when everyone could be available for an in-person meeting at a central location.
